As at the Latest Practicable Date, the Plan and the Grant Scheme have yet to be approved by the SASAC and may be subject to certain amendments as required by the SASAC and/or regulatory authorities in Hong Kong. In order to ensure smooth implementation of the Plan and the Grant Scheme, the Company will propose an ordinary resolution to the Shareholders at the EGM to consider and, if thought fit, approve the adoption of the Plan and the Grant Scheme, a summary of which is set out in Appendix III to this circular.

The Plan and the Grant Scheme shall be subject to the approval of the SASAC and the EGM as well as the satisfaction of the grant conditions. The Plan and the Grant Scheme do not involve the granting of any options in relation to new shares or other new securities in relation to the Company or any of its subsidiaries, and therefore are not required to comply with the requirements of Chapter 17 of the Listing Rules.

The Plan and the Grant Scheme are drafted in Chinese and their English versions, which are unofficial translations, are for reference only. In case of any discrepancy between the Chinese and the English versions, the Chinese version shall prevail.

Reasons for the adoption of the Plan

In order to establish and improve a sound incentive and constraint mechanism, and effectively stimulate the management and core team, the Company formulated the Plan in accordance with the “Working Guidelines for the Implementation of Equity Incentive by Listed Companies Controlled by Central Enterprises” (《中央企業控股上市公司實施股權激勵工作指引》(Guo Zi Kao Fen [2020] No. 178) of the SASAC, the Listing Rules and other relevant laws and regulations.

The Board believes that the proposed terms and conditions of the Plan are fair and reasonable and are in the interests of the Company and Shareholders as a whole.

LETTER FROM THE BOARD
